HOPE 4 KENYA (H4K)

continues to strengthen our mission of hope, service, and community impact across Kenya.

We want to again thank our Team 2025 for their help and support. This is dedicated to the continued impact that they are making in our community.

COMMUNITY IMPACT

Building Future Leaders Through Sport

By providing youth sports gear — practice vests, shorts, and balls — we're helping young people discover teamwork, confidence, and community.

Hope 4 Kenya recently donated jerseys and first aid kits to Kickers Football Club of Lanet, a team comprising players aged 12, 15 and 18 years. This initiative was aimed at supporting and encouraging this young, talented and promising generation as they continue to grow through football.

We aim to support youth people and nurture talent within the community. Together we are building a brighter future.
Thanks Team 2025
